

minimum specifications for liquefied petroleum gas. However, if it is necessary to protect the public welfare, liquefied petroleum gas is subject to the same provisions in this subtitle as gasoline, special fuels, and other petroleum products.

157C.

(a) The Comptroller of the Treasury and his duly authorized agents shall have free access to inspect during normal business hours any bulk [plant] STORAGE FACILITY, refinery, terminal, pipeline terminal, warehouse, railroad yard, marina, or service station where motor vehicle fuel is kept or otherwise stored or any motor transport or motor vessel or tank car used in transporting motor vehicle fuel for the purpose of examination or inspection and drawing samples. If such access shall be refused by the owner, agent, or other persons operating the same, their refusal shall be construed as prima facie evidence of the violation of this subtitle.

157D.

The Comptroller of the Treasury shall, from time to time, collect or cause to be collected, samples of all petroleum products subject to regulation under this article which are [sold,] STORED AND offered or exposed for sale in this State and cause such samples to be tested or analyzed.

157E.

(a) For the purpose of this law all gasoline and special fuels [sold or] STORED, offered, or exposed for sale shall be subject to inspection and analysis as hereinafter provided. All motor fuel wholesalers, special fuel sellers, manufacturers, refiners, marinas, DISTRIBUTORS, SPECIAL FUEL RETAILERS, and retail service station dealers before selling or offering for sale any gasoline, other motor vehicle fuels, or special fuels under whatever name designated for power and heating purposes shall file with the Comptroller of the Treasury a declaration or statement that they desire to sell such products in this State and shall furnish the [name, brand or trademark] BRAND, TYPE, AND GRADE of the products which they desire to sell together with the name and address of the supplier thereof and that all such products are in conformity with the specifications established by the Comptroller of the Treasury[, as purchased from the supplier and he will make no alteration to any such product received from the supplier].

157F.

(a) (1) Every motor fuel wholesaler, special fuel seller, manufacturer, refiner, marina, [and retail service station dealer before marketing gasoline or special fuels shall register with the Comptroller of the Treasury before selling or exposing or offering for sale any gasoline, other motor vehicle fuels or special fuels and shall register annually and shall make known to the Comptroller his desire to sell gasoline and special fuels giving the name and manner and kind of pump or pumps he will use and the location of same, and shall keep the certificate or certificates of registration issued by the Comptroller of the Treasury, posted in a prominent and accessible place in his place of business where such gasoline and special fuels are sold] DISTRIBUTOR, SPECIAL FUEL RETAILER, TERMINAL OPERATOR, AND RETAIL SERVICE STATION DEALER BEFORE STORING OR SELLING GASOLINE OR SPECIAL FUEL, SHALL REGISTER
